

This is a digital copy of a book that was preserved for generations on library shelves before it was carefully scanned by Google as part of a project to make the world's books discoverable online.

It has survived long enough for the copyright to expire and the book to enter the public domain. A public domain book is one that was never subject to copyright or whose legal copyright term has expired. Whether a book is in the public domain may vary country to country. Public domain books are our gateways to the past, representing a wealth of history, culture and knowledge that's often difficult to discover.

Marks, notations and other marginalia present in the original volume will appear in this file - a reminder of this book's long journey from the publisher to a library and finally to you.

### Usage guidelines

Google is proud to partner with libraries to digitize public domain materials and make them widely accessible. Public domain books belong to the public and we are merely their custodians. Nevertheless, this work is expensive, so in order to keep providing this resource, we have taken steps to prevent abuse by commercial parties, including placing technical restrictions on automated querying.

We also ask that you:

- + *Make non-commercial use of the files* We designed Google Book Search for use by individuals, and we request that you use these files for personal, non-commercial purposes.
- + *Refrain from automated querying* Do not send automated queries of any sort to Google's system: If you are conducting research on machine translation, optical character recognition or other areas where access to a large amount of text is helpful, please contact us. We encourage the use of public domain materials for these purposes and may be able to help.
- + *Maintain attribution* The Google "watermark" you see on each file is essential for informing people about this project and helping them find additional materials through Google Book Search. Please do not remove it.
- + *Keep it legal* Whatever your use, remember that you are responsible for ensuring that what you are doing is legal. Do not assume that just because we believe a book is in the public domain for users in the United States, that the work is also in the public domain for users in other countries. Whether a book is still in copyright varies from country to country, and we can't offer guidance on whether any specific use of any specific book is allowed. Please do not assume that a book's appearance in Google Book Search means it can be used in any manner anywhere in the world. Copyright infringement liability can be quite severe.

### About Google Book Search

Google's mission is to organize the world's information and to make it universally accessible and useful. Google Book Search helps readers discover the world's books while helping authors and publishers reach new audiences. **RULES**  
**FOR**  
**The Pan American Society**  
**of the United States**  
**(Incorporated)**

## I

The name of the Society is: **THE PAN AMERICAN SOCIETY OF THE UNITED STATES, INCORPORATED.**

## II

The objects of the Society are:\*

1. "To promote acquaintance among representative men of the United States and those of the other republics of America.

2. To show hospitality and attention to representative men of the other republics of America who visit the United States.

3. To take such other steps involving no political policy, as the Society may deem wise to develop and conserve mutual knowledge and understanding and true friendship among the American republics and peoples."

## III

1. The central office or principal headquarters of the Society shall be in New York

\*From the Certificate of Incorporation.

with such branches or associated organizations in other cities of the Americas as the central or principal office shall determine.

2. The members of the Society shall hold their annual meeting in New York City on the second Monday in February in each year at which shall be elected the Officers and Directors for the ensuing year. Notice of said meeting shall be mailed to each member at his last known address at least two weeks in advance. When the second Monday in February shall fall on a holiday then the meeting shall be held on the following day. The Incorporators shall elect Officers to hold office until the first Annual Meeting of the Society.

3. At least nine members shall be necessary to constitute a quorum at any meeting of the members.

#### IV

The membership of the Society shall be:

1. Honorary; Patron; Life; Sustaining; Regular and Associate. Any person proposed by one or more members of the Society and

approved by the Membership Committee may become a member.

2. Honorary members shall be those chosen as such by the Council from the chief diplomatic and consular officers and other distinguished personages of the Americas.

3. Patrons shall be those persons who contribute \$1,000 to the Society; Life members shall be those persons who contribute \$250 to the Society. Contributions of Patrons and of Life members shall constitute an Endowment Fund and the income only shall be available for current expenses.

4. Annual dues of Sustaining members shall be \$25; Regular members, \$10; Associate members, \$5. Annual dues shall be paid to the Treasurer on or before March first. A notice shall then be sent to those who are delinquent and if they fail to pay by April first their names shall be submitted to the Membership Committee for such action as it deems advisable.

5. Membership may be recalled or a member reinstated by a majority vote of the Council.

## V

1. The Directors shall be known collectively as the Council, and shall exercise authority over the general affairs of the Society in accordance with the provisions of these Rules.

2. Meetings of the Council shall be held upon call of the President, one of the Vice-Presidents, the Chairman of the Council, the Secretary, or upon the joint petition of seven Directors filed with the Secretary.

3. Seven Directors present at any meeting shall constitute a quorum of the Council for the transaction of business.

4. There shall be a Nominating Committee of five members elected by a majority vote of the Council, of whom at least three shall not be members thereof, whose duty shall be to nominate Officers and Directors.

5. The Chairman of the Council shall have authority to appoint special committees to act on matters not in contravention to these Rules.

6. There shall be a Membership Committee of five members: One of the Vice-Presidents, the Chairman of the Council, the Secretary, and

two appointed by the Chairman of the Council. Three shall be a quorum and a majority to act.

7. There shall be a Finance Committee of three members appointed by the Chairman of the Council, which shall supervise and control the finances of the Society subject to the authority of the Council.

8. Vacancies in the office of any Director or Officer may be filled by the Council.

## VI

The Officers of the Society shall be:

1. A President.

2. Two Honorary Presidents who shall be, respectively, the Secretary of State of the United States, and the ranking American diplomatic officer accredited to the United States.

3. Three Vice-Presidents, designated as First, Second and Third, who in the absence of the President shall act in his place in the order named.

4. Such Honorary Vice-Presidents as the Society may elect, not to exceed twelve.

5. A Chairman of the Council who shall preside at the meetings of the Council and exercise authority as herein provided.

6. A Secretary who shall have charge of the activities of the Society.

7. A Treasurer who shall receive all funds of the Society and disburse them in accordance with a budget prepared by the Secretary and approved by the Finance Committee.

8. In the absence of the Treasurer of the Society the Chairman of the Finance Committee shall have authority to act as Treasurer pro tempore.

9. The Officers of the Society elected, except Honorary Presidents and Vice-Presidents, shall be Directors.

10. The Secretary shall receive such compensation as the Finance Committee from time to time shall determine in accordance with the provisions of these rules.

## VII

The corporate seal of the Society shall be circular in form and shall bear the name of the Society and the year of its incorporation.

## VIII

Any member, Officer, or Director may at any time waive any notice or other formality required by statute or by the Certificate of Incorporation or under these Rules.

## IX

These Rules may be amended by a majority vote of the Directors present at any meeting of the Council of which notice has been given at least two weeks in advance with an exact statement of the amendment or amendments proposed.
